F. BROWN'S
ESSENCE OF JAMAICA GINGER.

THIS ESSENCE is a preparation of unusual excellence. In ordinary diarrhoea, incipient cholera, in short, in all cases of prostration of the digestive functions, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious; no family, individual or traveler should be without it, as it enables the system to resist the influence of incipient diseases which lurk in a changing climate.

CAUTION.—Be sure to get the genuine essence, which is prepared only by F. BROWN, at his *Drug and Chemical Store, N. E. Corner of Fifth and Chestnut Streets, Philadelphia,* and in Milwaukee by H. Bosworth & Sons, Lake & Williams; in Madison by John Wright; Racine by F. W. DeBerrard; Kenosha by F. Robinson; Sheboygan by Long & Davis. n44-1y

GREAT EXCITEMENT IN PLATTE COUNTY.

Destruction of the Parkville Luminary by a Mob—The Editors, Patterson and Park, threatened with the Halter—Resolutions denouncing all the Members of the Northern Methodist Church.

The subjoined highly important news came to us last evening, in an "Extra" from the office of the Platte Argus.—*St. Louis Dem.*

Below will be read with avidity the letter of our correspondent at Parkville. It was written by an *impartial* and an intelligent gentleman, who was an eye-witness to the whole occurence, and may be considered perfectly authe tic.

It will be seen that Geo. S. Park and Wm. J. Patterson, who have for years been manifesting free soil and abolition proclivities, through the "Luminary," and otherwise—were ordered to depart from the county in three weeks. The resolutions speak like *flint to the powder*—like determined patriots who know no fear, and mean to defend their rights and their institutions—Let the case be fairly understood—let the world understand, that *the people* in honest simplicity and determination, have destroyed the press and fixtures of the Luminary newspaper, for the reason that George S. Park and W. S. Patterson, who are citizens of a slave State—supported by slaveholders' money, have been in open rebellion and opposition to the institution of slavery, and the interests and safety of our people and property. Week after week, the columns of their paper have been filled with violent denunciations of the pro-slavery men of Missouri and Kansas, and in open and avowed aid of the "Aid Societies" of the North! For this they have suffered—for nothing else. Let traitors beware! The people are aroused—strong arms and stout hearts are enlisted—not for a day, or a single campaign, BUT FOR THE WAR! We fight for peace—a final peace—for justice and our rights. Again, we say, in tones which we would prefer should resound like the thunders of the Heavens: *Let traitors among us beware!* Let those who are coming to oppose us, *count well the cost.*

PARKVILLE, Mo., April 14, 1855.

Mr. Editor: The spontaneous upheavings of an indignant and outraged community were manifested here to-day, in a decided manner. To tell you that the "Industrial Luminary," a newspaper owned by George Park and Wm. J. Patterson, in this town, is a free soil sheet, and has been aiding and abetting the Eastern Abolition Societies in their abortive attempt to abolitionize Kansas, for the past year, is to tell you what you already know. You are also aware that Park has a large hotel in this place, kept by a free soiler, imported from Illinois, and devoted to the same foul purposes. It seems that certain men in the neighborhood determined "to abate the nuisance." How they managed to notify so many, and keep it quiet, I don't understand: but about 10 o'clock this morning, we were surprised to see about ten or fifteen of our most respectable country acquaintances ride into town, and go to the printing office and put Patterson under guard. Park, it appears, had either heard of it, or his good luck had prompted him to go to the mouth of Blue, in Kansas Territory. At 12 o'clock about two hundred men had arrived. The press was very quietly taken down and paraded into the street. The crowd was called to order and Patterson was brought forth to receive his sentence; one speaker stated that they were all aware that they came there with the firm determination to black, tar and feather, and ride on a rail, G. S. Park and W. J. Patterson, but that, as Park had escaped, and left his scape-goat to suffer for both, he wished to decide what should now be done with the prisoner. Another speaker declared his voice was for mercy; not that he had any excuses to offer for Patterson, for he despised him as strongly as any man coud: but that Patterson's wife, throughout the morning, had hung to him like a leech; that she now held on to him, and that we could not inflict the punishment without gross violence to her feelings, and perhaps rudeness to her person. He therefore, for the sake of the wife, moved a vote be taken to remit the tar, feathers, &c., and set Mr. Patterson at large, for the present. The vote was accordingly taken, and a *small majority* went *in favor* of the prisoner; he was therefore set at large. The following resolutions were then offered, and voted on singly, and not one dissenting voice was heard on the ground. Almost every one voted in the affirmative; and they voted with a "vim," too, that showed they were in earnest:

Resolved, 1, That the Parkville Industrial Luminary is a nuisance, which has been endured too long, and should now be abated.

2, That the editors, to wit: G. S. Park and W. J. Patterson, are traitors to the State and county in which they live, and should be dealt with as such.

3, That we meet here again, on this day 3 weeks, and if we find G. S. Park or W. J. Patterson in this town *then*, or at any subsequent time, we will throw them into the Missouri river, and if they go to Kansas to reside, *we pledge our honor as men*, to follow and hang them wherever we can take them.

4, That at the suggestion of some of our Parkville friends, we will attend to some other free soilers not far off

5, That we will suffer no person belonging to the *Northern* Methodist Church, to preach in Platte county after this date, under penalty of tar and feathers for the first offense and a hemp rope for the second.

6, That we earnestly call on our sister counties throughout the State, to rise in their might and clean themselves of free soilism.

7, That our peace, our property and our safety requires us at this time to do our duty.

8, That we request every pro-slavery paper in Missouri and Kansas to publish the above resolutions.

The Press was then shoulderd with a white cap drawn over its head and labelled "Boston Aid," the crowd following in regular order; it was marched through town nearly to the upper landing, and there, with three hearty cheers, it was deposited in the tomb of "all the Capulets," to wit: the Missouri River.

A speech was than made to the crowd, and they dispersed peaceably, each taking the road to his own home.

During the day frequent telegraphic dispatches were received from both ends of the line of a most encouraging nature.

Sic transit gloria Saturdi.

Our readers will see by this what kind of men control Kansas, and help Douglas & Co. carry out the Nebraska scheme. They will also notice that the *News*, of this city, is in association with such men, and says nothing against the buccaneers who are attempting to subjugate Kansas to Slavery.

Mr. Wise, whilst addressing a very large audience at Richmond, remarked in a very taunting tone, that although he had heard a great deal about the Know-Nothings, he had never to his knowledge seen one. He said his curiosity was very much excited. "So now," added he, "if there is any one present of that sort, I hope he will rise to his feet and let me see him?" and thereupon the whole assembly rose with the exception of seven or eight individuals. "*I have seen him,*" said Mr. Wise in a voice of despair.

SENATOR GWIN'S ELECTION.—The proprietors of the California Statesman, in Sacramento, are suing Senator Gwin for $20,000 damages for not sustaining their paper as he contracted to do. Senator Gwin agreed, if the Statesman was devoted to securing his election to the Senate by the California Legislature, to get its proprietors the Government advertisement, and secure them against loss, which he has failed to do.

The Macon (Ga.) Journal says that John Mitchell, the Irish exile, has been selected to deliver the commencement address before the two Literary Societies of the Mississippi University at Oxford.

MILWAUKEE:

TUESDAY::::::::::::::::::::::::::::::::APRIL 24.

Close of the Eighth Trial.

The suit of Garland for One Thousand Dollars, which has just terminated by disagreement of the Jury, is the eighth in the series of trials and arguments which have been had in our case on account of the Glover Rescue case. We were arrested on the 15th of March, 1854, by Marshal Ableman on a warrant issued by Commissioner Smith, charging us with aiding the escape of Glover, appeared before the Commissioner that afternoon, when the examination was postponed till March 21st. The examination continued through three days, and on the 23d inst we were bound over in the sum of Two Thousand Dollars to take our trial at the July term of the U. S. District Court, at Madison. A Grand Jury was packed, those drawn from the Free Soil Counties not being summoned till it was too late for them to attend, and talesmen picked up to supply their place. And by the aid of perjured testimony—the testimony of Joe Heath—we were indicted, twelve jurors—just the requisite number—voting to find a bill against us. As evidence of the kind of men on this Jury, one of them was heard to say publicly during the week it was in session, that abolitionists, as a class, were no better than horse thieves.

On the 29th of May, we were heard by counsel on a writ of *habeas corpus*, before Justice Smith of the Supreme Court. The hearing and decision occupied four days, and closed with an order for our release from the custody of the United States, on the ground of the unconstitutionality of the Fugitive Slave Act.—From this decision an appeal was taken by U. S. District Attorney Sharpstein, to the Supreme Court in full bench. The trial by adjournment occupied some two or three weeks, and closed on the 19th of July, by an order from the Court affirming the decree of discharge made by Justice Smith. We returned home that day, and the next morning were arrested by Marshal Ableman by warrant from Judge Miller, on the indictment of the Grand Jury at Madison, competent bail which we offered was refused, and we were taken to jail. On the same day we prepared an application to the Supreme Court, then in session, for a writ of *habeas corpus*, and our counsel left in the evening train for Madison. On Saturday evening he returned, without the writ, the Court declining to grant it on the ground of comity to Judge Miller, whose jurisdiction, they affirmed, had attached under a void law, and who would, they said they were bound to presume, pronounce the Act of 1850 unconstitutional on the final hearing, and discharge us.

On Tuesday, January 9th, 1855, our trial before Judge Miller, on the criminal indictment began, and lasted five days, resulting in a verdict of guilty, at 9 o'clock P. M. of Saturday, after the Jury had been out but three hours.—On Monday, January 22d, we had another hearing before Judge Miller, our counsel, Byron Paine, Esq., arguing at length, and with great ability, a motion for arrest of judgment and for a new trial, on several grounds, one of which was, that two of the jurors were proved to have formed and expressed opinions of our guilt before they entered the jury-box.

On Tuesday, January 23d, this motion was overruled, and we were sentenced to a fine of One Thousand Dollars and Four Hundred and Sixty-One Dollars, and One Cent costs, and to one month's imprisonment in the county jail, and to stand committed till the fine was paid. On Wednesday, the 24th, our counsel left for Madison to ask for a writ of *habeas corpus* from the Supreme Court. After hearing, the Court, on Saturday, the 27th of January, granted the writ, and on Monday, the 29th of January, we were brought out of jail, after having been domiciled there six days, taken to Madison, and after a hearing, on Saturday, February 3d, we were discharged from imprisonment by the unanimous decision of the Supreme Court, Justice Crawford insisting on his former opinion, that the Fugitive Slave Act was constitutional, and Justices Whiton and Smith reäffirming their former opinions that the Act was unconstitutional.

Last week we had the eighth trial, brought by Messrs. Arnold & Hamilton, for the Slave-Catcher Garland, to recover from us One Thousand Dollars private damages, the legal value of a slave under the Fugitive Slave Act.

How many more trials we are to have, and what attempts are yet to be made to enforce the judgment in the criminal case, which Judge Miller declares is still binding upon us, we know not. But we submit, that we have been pursued in this matter, with a zeal, and earnestness, and rancour, worthy of Slave-Catchers under a Bloodhound Act, and that it is evident the prosecution for the Government and the Slave-Catcher have hoped to worry us out. In our judgment they have taken hold of the wrong man. At any rate, we feel, if such a thing could be, more hopeful and resolute than when these trials began. If Garland, Cushing & Co. chose to press these cases still further, we are ready for them. We have the Constitution, the Law, the Decision of the Supreme Court, and the People on our side, and we shall contest this matter to the last. If Garland recovers judgment against us—which he never can do, except by packing a Jury through the the connivance and aid of the Court—the next thing will be to collect it. He may attach our property, but we shall replevy it in the State Courts, and try the question whether there is any efficacy in the decision of our Supreme Court, and whether the State has power to protect its citizens from usurpation, outrage and void process under void and unconstitutional Acts. This war is not of our seeking, but we shall not shrink from it. And if the people of Wisconsin are pressed to the last extremity and pushed on to revolution, rather than surrender their rights and liberties to the keeping of Slave-Catchers and their official tools, upon the Millers, and Ryans, and Arnolds, and the Fugitive Slave-Catching champions in league with them, be the responsibility.

Jury Disagreed and Discharged.

At half-past 6 o'clock Monday afternoon, the Jury in our case, after having been out 52 hours, and being unable to agree, were discharged by the Court. We understand that at the first ballot the vote stood 7 for plaintiff, 4 for defendant, and 1 blank; soon after it was changed to 7 for defendant and 5 for plaintiff—then 8 for defendant—finally it stood 6 and 6, and remained at that point.

They sent a written statement to the Judge on Saturday night signed by every juror, saying they were not able to agree and asking to be discharged—that when called into Court at 10 o'clock on Monday morning they informed the Court that they needed no further instructions, whereupon the Court proceeded to give them a long lecture. At 11½ o'clock they came again into Court, and were again sent out, and remained of the same mind till discharged.

THE Oshkosh *Democrat* and Manitowoc *Herald* published the official vote by towns, of their respective counties, for Associate Justice of the Supreme Court.—*Milwaukee Free Dem.*

Why do you chronicle that fact, neighbor Are they the only papers that you have seen which publish "the official vote by towns, of their respective counties?" or is it so unusual a matter for them to do such a thing, that you consider it worthy of especial notice? We also published "the official vote by towns" of our own county, in advance of our city contemporaries, and the *Free Democrat* (probably without knowing it) copied it.

By the way, Brother Booth, we are pleased to see that you approve our plan of giving a separate column of Local Items, culled from our State exchanges, by adopting the same thing yourself. Doubtless the readers of both the *Times* and *Free Democrat* will fully appreciate our efforts to spread before them a varied 'map of busy life' in all sections of Badgerdom.—*Sheboygan Times.*

We inform the *Times* that we adopted *it* plan in regard to local items from our State exchanges some four and a half years ago—not quite four years before the *Times* was born.—If we copied the *Times'* official table without credit, we sincerely regret it, for there are so few of our coutry exchanges which give us information of what is going on in their respective localities, that we wish to give full credit to those who do furnish us such news. We have received papers this week dated April 21, nearly three weeks after the election, which have not yet given official or unofficial returns of the votes of their counties or of any considerable number of towns.

AFFAIRS OF PAGE & BACON.—The St. Louis *Intelligencer* of the 20th says: We understand that at a meeting of about seventy of the principal creditors of Messrs. Page & Bacon, held at their banking house yesterday afternoon a proposition was submitted by Mr. Bacon for the immediate liquidation of all their liabilities to depositors, as also to those holding their drafts, or drafts on them by the California house. The proposition, we learn, was received with great favor and unanimously accepted.

COMPARISON OF CITIES.—The following votes, cast at the spring city elections in Iowa, will serve to show, as well as any means possible to be obtained, the relative size of the leading towns and cities in that State:

Burlington,	1,200
Dubuque,	1,138
Davenport,	724
Keokuk,	636
Muscatine,	451

Osage Orange for Hedge.

MR. EDITOR:—I have frequently been enquired of in relation to an Osage Orange Hedge which I am cultivating, and in this section of the State where fencing timber is not plenty a little information on the subject may not be uninteresting to those who wish to try the experiment.

Two years ago this month (April,) I planted one pound of Osage Orange seed, (cost 75 cts.) The pound of seed planted twenty rods. The manner of planting was as follows:

Drew a straight line and planted the seed four inches apart and covered them three inches deep, in a sand soil. The first season the plants grew about twenty inches. The following spring by examination, I found that about eight inches of the top of the previous year's growth had froze and become dead. This spring about the same length of top is dead—but the growth of the plant or tree is from 3 to 5 feet high—and the present spring will need trimming and shaping. The thrifty and vigorous growth of the Osage Orange in a sand soil, induces me to believe they can be cultivated with profit, and make a cheap, substantial and beautiful fence, that chick nor child cannot get under, through nor over.

SUGAR RIVER RAILROAD.—This road is to be commenced in the valley of Sugar River near where the M. & M. R. R. crosses it, running up the valley of that river, by the way of Decatur, Albany, Attica, Dayton, Bellville, &c., in a north-west direction, till it reaches the line of the road to Prairie du Chien, in the neighborhood of Arena. It is believed that this road will be good stock. If built, it will accommodate a large and fertile section of country, and contribute to enhance the value of the stock of the Milwaukee & Mississippi Road. The line can be built very cheap, and when graded the Milwaukee Company agree to iron and put on the rolling stock—or at least such an offer has been made. We have not yet learned whether any steps have been taken for an early organization of the Company.—*Monroe Sentinel.*

The Southern Railroad line of boats is formed the same as last year. Capt. Pheatt commands the *Northern Indiana*; Capt. Perkins, the *Southern Michigan*, and Capt. L. F. Goldsmith, the *Empire State*.—*Detroit Tribune.*

HON. THOMAS H. BENTON publishes a letter in the National *Intelligencer* in which he avers, upon competent testimony, that there is no war with the Indians on the frontier, and that the arming of the new regiments is merely a pretext for preparations against Cuba.

DEFAULTER ARRESTED.—In consequence of a telegraph dispatch received here, the police arrested at the Michigan Central depot, Saturday morning, a man named Horace Seckfield, going west with his wife and four children. He was charged with having been Collector in some town near New York, and having decamped with over $3,000 of the public money. $2,887,60 was found on his person, mostly in gold. He is held in confinement until the accusing parties can arrive.—*Chicago Press.*

DECIDED PLAGIARISTS.—Contributors to literary publications frequently make a boast of thier originality, but we cannot see how they can justly lay any claim to it, for whatever they send to the editor is after all, nothing but copy.

Recent genealogical researches in England show that Daniel Webster was descended from Thomas Webster, Ormsby, in Norfork, England, who died in that place in 1634. Ormsby is a small town of less than 1,000 inhabitants situated not far from Norwich, and about 12 miles northeast of London, and near the coast of the North.

Homœpathic Physicians and Colleges.

The aggregate number of Homœpathic Physicians in the Union is estimated to be between 1,500 and 2,000. They are distributed in the large cities nearly as follows: New York, 100; Brooklyn, 25; Philadelphia, 70; Boston, 25; Baltimore, 15. Of the junior members of this profession, about 350 are regular graduates of the two American Homœpathic Colleges, in Pennsylvania and Ohio. That at Philadelphia, was instituted in 1846, chartered in 1848, and opened the same year. Its faculty consists of W. A. Gardiner, M. D. Dean, and seven Professors. The number of students and graduates at each session is thus shown:

Years.	Students.	Graduates.
1848-49	15	6
1849-50	55	20
1850-51	70	29
1851-52	93	31

The "Western College of Homœpathic Medicine," at Cleveland, Ohio, was founded March 1st, 1850. It has a faculty of eight Professors, of whom Prof. C. D. Williams, M D., is the Dean. The statistics of its pupils are as follows:

Years.	Students.	Graduates.

1852-53	80	38

A Census of St. Helena, taken in the year 1849, showed that Island to contain a population of 5,940 persons, of whom there were 534 liberated Africans, and 511 soldiers. There were two attorneys and one doctor. The schools educate 196 boys and girls, and receive from the government an annual grant of $2,480. The Governor of this little colony receives a salary of $9,600, and the Colonial Secretary $5,800.

Selim Pasha, who was killed at Eupatoria, and was esteemed as a brave soldier, was called the last of the Mamelukes, he being the only one who escaped from the massacre at Cairo of that terrible but celebrated militia. Seeing all his companions falling under the fire of the Viceroy's soldiers, crowded as they were in the citadel of Cairo, he took the bold resolution of urging his horse to the parapet and taking the leap. The animal was killed by the fall, and the rider lay for some time motionless. Equally astonished at so much resolution and good fortune, Mehemet Ali ordered him to be spared, and at the end of some days he regained his strength.

THE Syracuse *Chronicle* has just seen a fugitive slave with hardly a mark of African blood in him. He was so white, that he left the South on a train of cars without being suspected, and came through without the slightest difficulty, sitting by the side of a young Southern blood in the cars, as hail fellows well met, and taking the best fare at hotels.

Commissioner Waldo has decided that no one person can receive the aggregate bounty for separate services. In the case of a woman marrying twice, and surviving both husbands, and both entitled to bounty land, she is only entitled to one bounty, but she may make her election under either husband. If there be minor children living of the non-elected husband, they are also entitled to land.

A JAPANESE BOAT.—Among other articles sent to the President by the Emperor of Japan is a boat of the country. It is some 46 ft. long, is built of cypress or a wood resembling it, is sharp and swift, and is accompanied by a full sett of sails and rigging. Her seams are so fitted as to require no caulking to prevent leakage.

Cause of Mistakes in Post Offices.—In Indiana 10 towns are named "Adams", 16 "Clay"; 14 "Franklin"; 21 "Jackson"; 21 "Jefferson"; 16 "Liberty"; 15 "Monroe"; 13 "Perry"; 23 "Union"; 39 "Washington." In Ohio 8 towns are named "Adams"; 9 "Clay"; 23 "Franklin"; 38 "Jackson"; 21 "Jefferson"; 23 "Liberty"; 21 "Monroe"; 26 "Perry"; 30 "Union"; 44 "Washington."

LIFE.—A queer, but striking simile is that of Sir Wm. Davenant's, who, in his "Just Italian," says:

Life is like a span
Forc'd from a gouty hand, which, as it gives
Extent, and active length, the more it pains.

THE SAW, SIR.—"I come for the saw, sir." "What saucer?" "Why, the saw, sir, that ye borrowed." "I borrowed no saucer." "Sure you did, sir, you borrowed a saw, sir." "Get out, you rascal, I never saw your saucer."—"Be dad but ye did, there's the saw, sir, now, sir." "Oh, you want the *saw*. Why the deuce didn't you say so."

The merchants of Schenectady are close calculators. The never lay in their Spring stock until the opposition boats commence running, be the same March or August.

A man who lives beyond the usual term of life is like a boy who stays beyond the usual age at school. He becomes solitary, and the routine is tedious to him.

MRS. USEFUL turns everything to account.—She buys tough beef for a roast. This goes into a fricassee for next mornings breakfast. After this, it re-appears in a soup, and finally bids farewell to the boarders in the shape of a mince pie.

THE man who was carried away by his feelings, has returned safe.

A BLACK-FISH eighteen feet long was left by the receding tide on the beach at Nahant, Mass. It was captured and yielded two barrels of oil.

An anti-prohibitory liquor law paper is about being established in Bellville, Ill., to be called "The Protest."

ODD.—A man was arrested in Schenectady, on Wednesday, for making faces at the railroad depot. Stringent place, that Schenectady.

5000 bushels of potatoes were shipped from Portage City last week. They were bought at from 30 to 50 cents per bushel. Potatoes are worth from 80 cts. to $1,00 per bushel in Madison.—*Madison Argus.*

The *Congregational Church*, at Steven's Point, (except the Tower) is complete. It was opened for service for the first time, on Sunday the 8th inst.

'How is your husband, dear?' asked one lady of another.

'Oh, he is in a very bad state,' was the reply.

'And pray, what kind of a state is he in?' still persisted the other.

'In the State Prison.'

CONTEMPT OF COURT.—An amusing incident occurred in a Court room, some years since, in one of the back counties of Missouri. The Court was seated and the cause about to be tried.

Now, His Honor the Judge was a man well stricken in years, yet he could ride a race, shoot a rifle, and shuffle and deal as well as the next man, and he who presumed to trifle with the dignity of the Court, on these occasions, generally suffered most.

Well, as I was saying, His Honor was seated and a case about to be commenced, when in a voice of thunder, the Sheriff proclaimed silence. There was a pause—the Judge looked over and saw an old gentelman who had not yet uncovered his head. The Court could not brook such disrespect to his dignity, and His Honor called out in an authoritative tone—

'Mr Sheriff, remove that old gentelman's hat.'

That functionary, who had until now stood in a corner, leaning upon his rifle, stepped up and politely knocked off the offender's hat with that murderous instrument, whereupon Mr. Badger (Badger was the offender's name,) seized the hat and clapped it on his head, and loudly exclaimed—

'Judge, I'm bald!'

'Mr. Sheriff,' said the indignant Court, 'we instruct you again to remove the hat.'

The order was instantly executed, and no sooner done than Mr. Badger replaced the hat on his head the second time, again insisting that he was bald.

The offended Judge now waxed warm, and, rising up in his seat, ordered the clerk to enter a fine of five dollars for a contempt of Court, and to be committed until the fine was paid.

Mr. Badger was thunderstruck. He deliberately walked up to the bench, and, laying down a half dollar before His Honor, in a solemn manner thus gave his views:

'Your sentence, Judge, is most ungentlemanly, but the law is imperative, and I reckon I'll stand it; so here is four bits, and the four dollars and a half that you owed me when we stopped playing at poker this morning just makes us square.'

PUMPS.—Mr. S. D. Carpenter, of the *Patriot*, started for Washington yesterday, to attend to matters connected with the disposition of the rights for his celebrated pump. We learn that he has recently sold interests in his invention, as follows:

Half interest in	New York,	$20,000
Quarter " "	Pennsylvania,	8,000
" " "	Ohio,	7,000
" " "	Virginia,	2,500

TUESDAY :::::::::::::::::::::::::::::: APRIL 24.

GOING TO KANSAS.—Murison & Kerr, of this city, have sold their printing office to E. C. K. Garvey, who is packing it up for immediate removal to Kansas.—*Wisconsin* of last evening.

Sold again. The printing office above alluded to was not purchased by E. C. K. Garvey, but by Dr. Wm. Gaghan, who left for Kansas on Sunday last. Dr. G. formerly resided in Albany, N. Y., but has lived in this city for the past six months—is a man of liberal views, acknowledged ability, and a keen writer. The printing material will be shipped from this port for Lawrence, Kansas Territory, this evening. Dr. G. intends to try his luck in the printing business at Lawrence, or at some other point in Kansas.

YOUNG MEN'S ASSOCIATION.—The annual meeting of the members of the Young Men's Association will be held at their Reading Room on Tuesday evening, May 1st, and the annual election for officers will take place on Wednesday evening, May 2d. See advertisement.

OUR JAIL.—We took a hasty look through our old jail yesterday, and were highly pleased to find everything in a neat and cleanly condition. The jailor, Mr. Searritt, seems determined to make the dilapidated old building look as respectable as possible. It has recently undergone a thorough cleaning and white-washing throughout, and the yard back of the jail has been thoroughly purged of all filth. A new [illegible] is needed, and we trust our Supervisors will not delay the matter much longer.

MARINE.—The Vic. Purdy cleared for Buffalo this morning, with 12,000 bushels of wheat and [illegible] bbls. of pork.

The Prop. Saginaw is taking out 1000 bbls. [illegible] at [illegible] Newhall's Warehouse for Buffalo; freight [illegible] cents.

MILWAUKEE MUSICAL SOCIETY.—The annual meeting of the members of the Milwaukee Musical Society, for the reception of the Annual Reports of its officers, the election of officers for the ensuing year, &c., will be held at the Society's Hall, in Treat's block, on Tuesday evening, May 1st, at 8 o'clok.

WHEAT FOR CINCINNATI.—15,000 bushels of spring wheat was purchased in this city, yesterday, at $1,00 per bushel. It is to be shipped to Cincinnati.

JUVENILE LECTURE.—Master Arthur C. McKnight, a boy only 12 years old, of Cleveland, will lecture on education, at Young's Lower Hall, on Thursday evening next. It will probably be remembered that he is the youngster who addressed the scholars of the First Ward school, last summer. He appears to be an unusually precocious boy.

SALES OF REAL ESTATE.—80 acres of land West of N. E. qr. sec. 6, town 6, range 22, next to the city limits, adjoining Walkers' Pt. addition, were sold yesterday at $16,000, $200 per acre. Messrs. Wendt & Pfeil and Powers were the purchasers.

Lot 1, block 15, corner of Huron and Milwaukee streets, was purchased yesterday by A. D. Seaman who will commence the erection of a [illegible] cabinet ware manufactory—60 feet by [illegible] stories high, and fire proof—upon it, immediately.

FOX LAKE TIMES.—H. C. George & Co. have sold the Fox Lake *Times*, and all its appurtenances, to Chas. Corbit, under whose control it will henceforth be published.

PERSONS in want of standard pears, dwarf pears, plum trees, roses, &c., will find it to their interest to read Chas. Gifford's advertisement, in another column.

BOARD OF TRADE.—The meeting of the Board of Trade, appointed to be held last evening to hear the report of the Delegates to the St. Clair Flats Convention, was adjourned till [illegible], at 7½ o'clock. A full attendance of the Board is desired, as the subject is one of importance.

FOR OGDENSBURGH.—The Prop. *Ogdensburgh* will leave Dousman & Co.'s dock, for Ogdensburgh, on Thursday evening next.

SHOT.—A passenger on the *Arctic*, which arrived here from Chicago, last evening, was shot [illegible] while on the way to this port, by the accidental discharge of a pistol, which dropped from the pocket of another passenger.

TERRA CULTURE.—We learn from the Buffalo Express, that Prof. Comstock—of Terra Culture notoriety—is lecturing in Michigan on his favorite science. It will be remembered that he visited this state last summer, and succeeded in humbugging some of the people of Waukesha, Jefferson and Walworth counties for some time, but, we believe, he was pretty generally rightly appreciated before he took his departure for the east. We think it a little strange that the Buffalo *Express* should notice him as favorably as it does.

SALE OF HAMS.—Mr. E. Roddis sold, yesterday, 400 bbls. hams at $15 per bbl.

THE WEATHER is warm and the atmosphere balmy, to-day.

TWO new vessels are to be launched at Manitowoc—one on Saturday next and the other the first part of May.

POLICE COURT.—Richard O'Neil, of the town of Lake, was tried this forenoon for choking his wife, while drunk, and was held to bail in the sum of $250 to keep the peace for three months.

HORRIBLE AFFAIR.—At Black River Falls, Wis., on the 7th inst., a drunken man abused his wife so outrageously that she was obliged to take her two children and seek refuge among the neighbors. She returned to her house the next morning, supposing that her husband wo'd be sober, but instead of that, found the house destroyed by fire and her husband burnt up in it.

IOWA.—The *Clayton Co. Herald* says, the Republican State Ticket has probably been carried by 2,500 or 3,000 maj. The Liquor Law is carried by 5,000 or 6,000 maj.

THE INAUGURAL of Mayor Dimock, of Janesville, is a model for good sense and brevity. It is only three-fourths of a column long.

The Chicago Riots.

The Chicago papers of Monday morning bring detailed accounts of the late liquor riots in that city. About 9 o'clock on Saturday morning the rioters—mostly Germans—began to assemble, and at 10 o'clock they thronged the walks in the square and the hall in which a liquor case was pending, and so obstructed the passages that the Mayor ordered Captain Nichols, of the Police, to clear the passages.—He went to the gate and requested the crowd to leave the sidewalk. One big brawny fellow refused, and Capt. Nichols put his hand on the other's shoulder to push him back, when the man struck Nichols a blow in the side. A watchman with a cane immediately laid it over the man's head, bringing him down, when he was seized by others and taken to the watch-house. Several others from the crowd then struck at Nichols and the police, and then retreated into the crowd.

Additional police forces arrived, and an attempt was made to arrest the leading rioters, when a terrible fight ensued. The police came off victorious, making several arrests. One of the rioters was taken off the ground by his comrades, it was said, in a dying condition; another, named Marshall Knight, horribly beaten, was arrested, but was liberated after his wounds were dressed.

At 3 o'clock P. M. nine of the rioters were in jail. At 3½ o'clock a company of about a hundred men, mostly Germans and Irish, assembled, armed with muskets, sticks and clubs, some of the latter with pikes in the end. At 4 o'clock the rioters made a rush, and fired at the police. The police returned the fire, and several arrests were made. Policeman Hunt was shot in three places. As Hunt fell, a citizen pulled a pistol from his pocket and shot the man through the body, who shot Hunt. He was captured and taken to jail, it was supposed in a dying condition, but up to 11 o'clock last night was still alive. Hunt had to have his left arm amputated close to the shoulders, and at last accounts it was thought he would recover. A broker, named J. H. Kedzie, was slightly wounded in the head by a ball. Policeman Nathan Merton was horribly beaten on the head, and became deranged. Two other policemen were badly wounded.

At 8 o'clock on Sunday morning 56 of the rioters had been arrested, and 6 more were arrested before 3 o'clock P. M.

The city was quiet yesterday. A special military of 500 citizens was organized, and armed from the State Armory. More difficulty is apprehended when the trial of the prisoners, now amounting to 53, comes on. It was expected to commence this morning.

THE Hon. Sidney Breese, long one of the Judges of the Circuit and Supreme Courts of Ill., and subsequently Senator in Congress, is a candidate for Judge of the Circuit Court of the Second Judicial Circuit of Illinois.

FOUR YOUNG MEN BURNED TO DEATH.—At Arcadia, Mo., on the night of the 14th ult., a building near the High School, in which 8 young men belonging to the institution slept, was struck by lightning during a severe thunderstorm and set on fire. Four of them, who slept in one room, failed to be aroused from their slumbers by the concussion, and perished in the flames. One of the young men was a son of F. Ridgeley, of St. Louis.

JOS. HISS RESIGNED.—Jos. Hiss, the Boston member of the Massachusetts Legislature, who rendered himself so notorious in the Nunnery Investigation Affair, has resigned his seat. We presume he was fairly *Hissed* out of the House, before he resigned; at least he deserved it, if the charges prepared against him were half true.

JUDGE LUMPKIN.—The Savannah papers doubt if Judge Lumpkin will accept the Judgeship in U. S. Court of Claims. It is said that he opened the session of the Supreme Court of Georgia, on Monday of last week.

THE Irish, of Chicago, the telegraph said, did not participate in the recent liquor riot, in that city. The Chicago papers and the names of those arrested, tell a different story.

ON an average, 1,700 vehicles cross the Fulton Ferry, New York, daily.

A fatal disease has broken out among the horses in Central Ohio. Large numbers of fine horses have already died.

FIRE.—A destructive fire occurred at Rushville, Schuyler Co., Ill., on the 17th inst., consuming the Prairie Telegraph Office, and some 6 or 8 shops, bakeries, &c.

FIRES IN CHICAGO.—Two or three fires occurred at Chicago, on Saturday last, but the damage was light.

SUICIDE.—Rollin Bliss committed suicide, at Chicago, on Thursday night last, by hanging himself with a handkerchief.

CONVALESCENT.—Washington Irving, who was severely injured on the 18th inst., near "Sunnyside," N. Y., by being thrown from his horse, had so far recovered on the 21st as to be out of danger.

TELEGRAPH NEWS.

Details of the Nashville's News.

NEW YORK, April 23.—The steamship *Nashville*, arrived about noon yesterday, and brings report that her arrival at Liverpool on the 3d, having made the passage out in 12½ days. She left Liverpool on her return trip at 3 P. M. of the 27th, and brings London and Liverpool papers of the same date, with about fifty passengers, among whom we notice Mr. Ullmann, who announces the engagement of Madame Du Grange, Prandi, Manilli, and Marchi, who would leave Havre by the next steamer of the 9th.

The Nashville reports having passed the Africa from Boston, entering Liverpool as the Nashville passed out on Saturday P. M.

Our Liverpool correspondent writing on Saturday, A. M. says, politics are just where they were except that the feeling becomes stronger that nothing is left but to fight it out. The Conference had adjourned till the 9th, to await the Russian Ultimatum, and arrival of Turkish Minister at Vienna. There had been a succession of sanguinary conflicts between the French and Russians before Sebastopol, for possession of the rifle ambuscade pits with various success but with much loss. The latest battle on the 23d, put 3,000 men *hors du combat!* We have no details.

Gen. Weddell, as Russian Envoy to Paris, has been countermanded. Col. Allury, an attache of Prussia, has also been recalled, indicating that negotiations are closed. The Vienna Conference having adjourned to the 9th, we have no news from that place on the consideration of the 3d point. Public opinion was equally divided as to the final result. Ali Pacha (the Turkish Ambassador) had arrived at Vienna, and would take part in the future discussions of the Conference. Despatches from Berlin to Friday, state that the Russian party was predominant and that Prussia will probably throw herself into the arms of Czar in case of an unfortunate result of the Conference.

BREADSTUFFS.—Shipley & Co., report no change closing quietly. Winter wheat 11s 10a13s3d Red 10s6da11s 3d. Western Canal flour, old 41sa42s; new 37sa39s; Phila. and Balt. old 43sa44s; new 39sa41s; sour 38a41; southern white and yellow corn 42s 6da43s. Hunter reports a slightly improved general tone in market, but no advance in any article.

PROVISIONS.—Gardiner & Co., report more cheerful feeling in Beef without much business Pork quiet. Bacon advanced 1s, firm, Lard advanced 45s6da 47s. Butter begins to be enquired for. Linseed cake saleable.

Money continues to become easier. The Bank had reduced the minimum rate to 4½.—Consols varies a little, and closed at 92⅞a92⅞.

AMERICAN STOCKS.—market firm and active, with a general improvement.

NEW YORK, April 23.—The *Herald* of this A. M. publishes a despatch dated Liverpool, April 7th, 2 P. M. just before the Nashville sailed, stating that great agitation prevailed there is consequence of a despatch received from London announcing a great battle at Eupatoria, the defeat of the Russians with loss of 5,000 men, and the death of Omer Pacha. This must of course be taken for what is worth.

The Right Rev. Dr. Bacon was yesterday consecrated Roman Catholic Bishop of Portland, Maine, by Arch Bishop Hughes, in St. Patrick's Cathedral. All the leading dignitaries of the Church were present, including Bishop McCloskey, of Albany, who preached the consecration sermon.

A gentleman named Bailey, who has been staying in this city for about a fornight past, has been fleeced, it is said out of about $100,000, at various gambling houses. On Saturday he attempted to commit suicide by taking laudanum. Medical remedies were applied, and it thought he will recover.

NEW YORK, April 23.—It is stated that two recruiting officers in this city, and one in Albany, are to be opened to-day for the enrollment of names for the Worth Legion, in view of the probability of a rupture with Spain. The officers mostly belong to the N. Y. Volunteers, who served in Mexico.

Wisconsin Home Insurance OFFICE.
No. 6 Kneeland's Block.
MILWAUKEE, WISCONSIN, MARCH 30, 1855

INSURANCE effected upon Dwelling Houses, Stores and other buildings. Household Furniture, Merchandize and other property, against
LOSS OR DAMAGE BY FIRE.

This is a new Company, organized the 26th of January last, on the Mutual plan, with the privilege by the charter, of doing business on the Cash plan, upon either Fire or Marine risks; but to the present time the business has been confined to the Mutual system of Insurance, and the very favorable and flattering manner in which the same has been received by the Insuring Public, has induced the Directors to make it purely a mutual company. Besides this, it is believed that the recent failure of many of the Eastern Companies has been owing mainly to the combination of the Cash and Mutual System in one Company.

This Company commenced business with a capital of $50,000, and have already issued upwards of 270 policies; and it is believed that, with proper caution as to the selection of risks, and rigid economy in expenses, we shall soon be enabled to make this Company such a one as will generally be preferred.

The recent failure of several of the old Stock Companies, among the most prominent of which are the Protection and Columbus, although it is believed that their business was conducted in the most proper manner, has had a tendency to shake the confidence of many of the most reliable and prominent insurance men in the Stock plan of insurance, and have induced them to believe that the only safe and reliable companies are those conducted on the Mutual principle.

As it is the design of the Directors to do a profitable, rather than a large and therefore doubtful business, the company will take none except first class risks and at such rates as are deemed fully adequate to the risk.—Agents are also instructed not to take to exceed $1000 upon any one risk, in Village, within a circle of 4 rods in diameter, which of course will prevent very great loss at one fire.

Applications for Insurance respectfully solicited.

GOOD MEDICINES.

It is estimated that AYER'S CHERRY PECTORAL AND CATHARTIC PILLS have done more to promote the public health, than any other one cause. There can be no question that the Cherry Pectoral has by its thousand and thousand cures of Colds, Coughs, Asthma, Croup, Influenza, Brochitis, &c., very much reduced the proportion of deaths from consumptive diseases in this country. The Pills are as good as the Pectoral, and will cure more complaints.

Everybody needs more or less purging. Purge the blood from its impurities. Purge the bowels, liver and the whole visceral system from obstructions. Purge out the diseases that fasten on the body, to work its decay.—But for diseases we should only die of old age. Take antidotes early and thrust it from the system, before it is yet too strong to yield.

Ayer's Pills do thrust out disease, not only while it is weak but when it has taken a strong hold. Read the astounding statements of those who have been cured by them from dreadful Scrofula, Dropsy, Ulcers, Skin Diseases, Rheumatism, Neuralgia, Dyspepsia, Internal Pains Billious Complaints, Heartburn, Headache, Gout, and many less dangerous but still threatening ailments, such as pimples on the face, Worms, Nervous Irritability, Loss of Appetite, Irregularities, Dizziness in the Head, Colds, Fevers, Dysentery, and indeed every variety of complaints for which a Purgative Remedy is required.

These are no random statements, but are authenticated by your own neighbors and your own Physicians.

Try them once, and you will never be without them. Price, 25 cts. per Box—5 Boxes for $1.00.

Prepared by Dr. J. C. AYER, Chemist, Lowell, Mass. and sold by all respectable druggists everywhere.

CITY LAND OFFICE.

I CALL your attention to one of the most beautiful Farms in the State of Wisconsin, known as the

WALNUT HILL FARM.

The description of it is as follows, given by the owner, and he offers it on easy terms:

The said Farm is situated on the west end of Pewaukee Lake, two miles south of the village of Hartland, in Waukesha county, containing 350 acres of land, well watered by springs, and has a mile of front on the Lake—has a good new framed house and barn located upon the bank of the lake, with good hard gravelled shores, and is surrounded with groves of fine hickory trees, which bore in abundance last season, there being about five hundred bushels on the premises.

The above Farm was one of the first locations made in Waukesha county, in 1836, and now has over one hundred acres under plough, in a fine state of cultivation—about sixty acres of good hay land, the balance timber—is all under fence, has a plank road within two miles on the north, and a good road within two miles on the south—the depot, at Hartland, on the Milwaukee and Watertown Railroad, is within two miles. Pewaukee Lake abounds with the finest kind of fish. The Farm is one of the best stock farms in all the western country—none excepted. It is 25 miles from Milwaukee—8 miles from Waukesha.

Terms is one quarter cash—balance in 1, 2 and 3 years, with 7 per cent interest.

Now, who of you want a Farm? Here is a chance seldom offered; and it will be sold at a great bargain.

Apply to apr18 CALEB WALL, Auct'r.
